2025 BC Diabetes Foundation Spring Gala

Following the success of our inaugural gala in 2019, we are delighted to host the 2nd BC Diabetes Foundation Spring Gala.

Join us to hear of the many life-changing breakthroughs in diabetes supported by the foundation over the past six years, thanks to people like you.

Impresario **Howard Blank** will be back as our host & auctioneer, promising an evening of fun, magic & memories for our guests.

There will be an array of delectable canapés, interactive food stations, a live auction, 50/50 raffle, fund-a-need, and you will hear from members of our medical team and partners about their progress in the fight to end diabetes.

THE CAUSE

Diabetes and pre-diabetes affects one in ten Canadians and its complications hundreds of thousands. Imagine a world where no one has to fear diabetes.

On May 29th, we come together not just to support funding of the Foundation's activities, but to change lives. Every dollar raised fuels groundbreaking treatments, better care, and hope for millions battling this disease daily.

Your generosity means fewer complications, more innovation, and a future where diabetes is no longer a life sentence.

Whether you bid, donate, or simply spread the word, you are making a difference. Let's turn our compassion into action and take one step closer to a cure. Thank you for being part of this mission!
